AMENDMENT ONE

TO

CONTRACT FA-16630-00

Preventive and Complete Maintenance of Elevator Equipment at State Owned Buildings, Universities, and Colleges, Statewide Groups

UNMANNED SITES

This CONTRACT, by and between the State of Tennessee, DEPARTMENT OF GENERAL SERVICES, hereinafter referred to as the State, and Kone Incorporated, hereinafter referred to as the CONTRACTOR, is hereby amended as follows:

- 1. Delete Section C.1. in its entirety and insert the following in its place:
 - C.1. <u>Maximum Liability</u>. In no event shall the maximum liability of the State under this Contract exceed TEN MILLION, EIGHT HUNDRED FORTY-ONE THOUSAND, TWO HUNDRED EIGHTY-EIGHT DOLLARS AND THIRTY-FOUR CENTS (\$10,841,288.34). The Service Rates in Section C.3 shall constitute the entire compensation due the Contractor for the Service and all of the Contractor's obligations hereunder regardless of the difficulty, materials or equipment required. The Service Rates include, but are not limited to, all applicable taxes, fees, overheads, and all other direct and indirect costs incurred or to be incurred by the Contractor.

The Contractor is not entitled to be paid the maximum liability for any period under the Contract or any extensions of the Contract for work not requested by the State. The maximum liability represents available funds for payment to the Contractor and does not guarantee payment of any such funds to the Contractor under this Contract unless the State requests work and the Contractor performs said work. In which case, the Contractor shall be paid in accordance with the Service Rates detailed in Section C.3. The State is under no obligation to request work from the Contractor in any specific dollar amounts or to request any work at all from the Contractor during any period of this Contract.

- 2. Delete Section C.3. in its entirety and insert the following in its place:
 - C.3. <u>Payment Methodology</u>. The Contractor shall be compensated based on the Service Rates herein for units of service authorized by the State in a total amount not to exceed the Contract Maximum Liability established in Section C.1. The Contractor's compensation shall be contingent upon the satisfactory completion of units of service or project milestones defined in Section A. The Contractor shall be compensated based upon the following Service Rates:
